Mine Rescue

The Rocky Mountain Mining Institute is proud to present the 31st Annual Mine Rescue Safety Training & Evaluation during the 118th Conference and Annual Meeting. **David Evans and Cheryl Evans** co-chair the event. Approximately 80 mine rescue participants are trained in various classes and simulated scenarios to take back important safety information to their respective operations. The Awards Breakfast on Tuesday morning is open to participants with an All Inclusive (A) Package, or you may purchase a separate ticket to attend. Please show your support to this important training and education mission of RMMI.

Our **Monday night BBQ will be held at Elk Camp**, a short 9-minute gondola ride up the mountain. Elk Camp provides an on-mountain casual dining experience. A climbing wall, lawn games, and other entertainment will be provided.

Musical performance by **Damian Smith and The True Story Band**. Damien is a local Snowmass favorite with over 30 years in the music business.

Monday night at Elk Camp is included with all (A), (B), and (Mine Rescue) Packages. All others are welcome to join with the purchase of a ticket. Wristbands will be required to board the gondola for our event.

35th Annual Scholarship Awards Luncheon and Life Member Presentation

A highlight of the conference is the scholarship award luncheon where eight deserving students are presented their scholarship award and given the opportunity to speak to the group about what the scholarship means to them. This is one of the most rewarding programs of the Institute. Our Scholarship Co-Chairmen, **Morgan Malkowski & Sean Hovorka** interview each student that submitted an application to narrow it down to our eight Engineering/Geological awards (\$5,500 over two years) and eight technical school awards (\$1,000 each toward technical training). To date, RMMI has given \$1,004,000 in scholarship awards. We also thank **Clark Moseley**, Patron Chair, for his efforts in soliciting donations. Please plan on participating in the silent and live auctions, which help provide proceeds to fund the scholarship and the student travel to the conference. It has become a fun addition to our meeting, and a way to help a deserving student. Please donate an item and make a purchase!

Life Member Presentation

Each year the RMMI Board of Directors considers bestowing a member with the honor of **Life Member**. A member is chosen based on his/her service to the Institute and to its goals and purposes. "The person whoserves – deserves." There are years when one or more of our members stand out for having served above and beyond for the benefit of the Institute. Attend the Scholarship Luncheon to see who will receive this prestigious honor.
